DETAILED ACTION

Election/Restrictions

1. Restriction is required under 35 U.S.C. 121 and 372.

This application contains the following inventions or groups of inventions which are not so linked as to form a single general inventive concept under PCT Rule 13.1.

In accordance with 37 CFR 1.499, applicant is required, in reply to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-4, 17-20, and 23, drawn to a cassette with plurality of cartridges for dispensing liquid therefrom, the cartridge being closed at one end and having an outlet port from which liquid is ejected by a pulse of pressurized gas.

Group II, claim(s) 5-16 and 21-22, drawn to a liquid dispensing apparatus with liquid reservoir, outlet port and driving means for generating a pulse of gas in order to force the liquid out of the outlet port.

2. The inventions listed as Groups I and II do not relate to a single general inventive concept under PCT Rule 13.1 because, under PCT Rule 13.2, they lack the same or corresponding special technical features for the following reasons: Group I lacks the special technical feature of the driving means of Group II and the dispensing apparatus of Group II lacks the special technical feature of Group I of the plurality of cartridges.

3. A telephone call was made to Janet MacLeod on August 25, 2004 to request an oral election to the above restriction requirement, but did not result in an election being made.

Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

Art Unit: 1743

4. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a request under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(i).
